Trinity II:13, August 29, 2021

Welcome to Saved By Grace! If you are a guest, it is our pleasure to have you worship with us today. We would be glad to answer any questions you may have and hope that you will return to visit us again.

Today's theme: Jesus answers a lawyer's question with a question in today's gospel. The lawyer's question: Who is my neighbor? Jesus question: Who was a neighbor? May God bless us as we hear his Word and ponder the meaning of these two questions today.
