**St. John's Tide**  
**Trinity II:10, August 8, 2021**

**Welcome** to Saved By Grace! If you are a guest, it is our pleasure to have you worship with us today. We would be glad to answer any questions you may have and hope that you will return to visit us again.

**Today's theme:** "Two men went up to the temple to pray." One went trusting in his own self-righteousness; the other despaired of self-righteousness and trusted in God's mercy. May God bless us as we hear his Word today that we may be like the man who despaired of self and trust in God's mercy.

**Peru Needs:** One of the urgent needs of our Peruvian brothers and sisters in the jungle called, "Taywan" is to get a title to the land they occupy. In the past titles in remote regions of the jungle have not been needed, but as the jungle develops, they are becoming necessary. In order to help our Peruvian brothers and sisters stay on the land they occupy, you may use the envelopes marked, "Taywan Title".

**Who will win the Bocci Ball Trophy - and who will win the White Elephant Gift - at this year's church picnic?** We hope that you can join us Sunday, August 22, to find out. Please bring a salad and or dessert to pass as well as your own plates and utensils.
